

Founder Signal — Design Specification & UI Mocks

Version 1.0 • August 2026

Premium research dashboard + startup opportunity radar. Data-rich, credible and calm.

1. Home Dashboard

Trust-building screen: score, demand, signal quality, competition, intent mix, source diversity and MVP blueprint.

3. Signal Explorer

Visual exploration of momentum and emerging opportunities.

4. Recommended Visualizations

- 30/90/180-day demand line chart.
- Source diversity stacked bar.

- Intent mix chart.
- Demand-vs-competition matrix.
- Opportunity scatter plot.
- Category heatmap.
- Emerging → growing → crowded → declining lifecycle.
